

**REMARKS**

The present amendment is responsive to a restriction requirement dated September 7, 2006. The application now contains claims 30-47 and 56-67. Claims 1-29 and 48-55 have been cancelled as they are directed to unelected Groups I, III and IV. Claim 30 has been amended to insert a missing conjunction, "and". New claims 56-67 have been added. The Applicant elects Group II, claims 30-47 and 56-67, for examination without traverse.

New Claims

New claims 56-67 have been adapted from claims which exist in the non-elected Groups. Namely:

claim 56 is derived from claim 1;  
claim 57 is derived from claim 2;  
claim 58 is derived from claim 3;  
claim 59 is derived from claim 5;  
claim 60 is derived from claim 21;  
claim 61 is derived from claim 22;  
claim 62 is derived from claim 48;  
claim 63 is derived from claim 49;  
claim 64 is derived from claim 50;  
claim 65 is derived from claim 51;  
claim 66 is derived from claim 52; and,  
claim 67 is derived from claim 6.

In view of the Applicant's election and current amendments, it is believed that the application is in a condition to be examined. A first Office Action is respectfully awaited.

Respectfully submitted,  
Ehud DAFNI
